## Our Equiplan Schemes provide all your horse's routine preventative care in a cost effective direct debit package.

The monthly direct debit allows you to spread the cost throughout the year, and make savings on our usual fees for the same services.

**Terms and Conditions** - An annual vaccination to protect your horse against influenza and tetanus is included in all of our Equiplan offers. If your horse requires to restart the primary course of vaccinations then additional costs will be incurred. All other equine vaccines are excluded from the scheme.

The prices of all our Equiplan schemes are fixed for 12 months from the time you sign up. After this time we will notify you if there are any changes to the prices of the schemes.

New clients signing up to the scheme may be asked to pay an initial monthly instalment prior to the direct debit payment clearing.

You can terminate your plan at any time by giving us 28 days notice. We will invoice you for any sums outstanding or provide a credit to your account where appropriate, within 30 days of termination.

We may terminate this agreement at any time for non-payment of any outstanding monies owed to us for longer than 21 days. After termination we will invoice you for all sums outstanding.

We will store your personal details securely and in accordance with the Data Protection Act.

### The Direct Debit Guarantee

This guarantee should be retained by the Payer.

This guarantee is offered by all banks and building societies that accept instructions to pay direct debits.

If there are any changes to the amount date or frequency of your Direct Debit Garston Veterinary Group will notify you 7 working days in advance of your account being debited or as otherwise agreed. If you request Garston Veterinary Group to collect a payment, confirmation of the amount and date will be given to you at the time of the request.

If an error is made in the payment of your Direct Debit by Garston Veterinary Group or your bank or building society you are entitled to a full and immediate refund of the amount paid from your bank or building society.

If you receive a refund you are not entitled to, you must pay it back when Garston Veterinary Group asks you to.

You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.

## Garston Equine Team

Professional - Friendly - Compassionate

With a wealth of experience and knowledge in the equine field, we actively promote preventative healthcare to help keep your horses in optimum health. Our specifically designed Equiplan bronze, silver or gold schemes will not only help you spread the cost for routine preventative care, but will also ensure that your horse will receive high quality treatments, at the correct intervals.

Continuity of care is high on our list of priorities, as is your horses well-being, therefore whenever possible, we ensure the vet of your choice performs examinations and treatment. This allows our vet to build an ongoing relationship with horse and owner.

So let Garston Equiplans take the reins and give you the peace of mind that preventative healthcare is covered for the horse in your life.

Dedicated to providing outstanding veterinary care for the equine community of the area.
